

DFK Staff Exchange

13 September 2018

(L-R) Richard Hill, Pham The Hung (DFK Vietnam), Dominic Pham, Nguyen Dac Long (DFK Vietnam)

DFK Richard Hill welcomes Nguyen Dac Long from DFK Vietnam to its Sydney office.

Long is visiting Sydney for 6 weeks as part of DFK staff exchange programme to expand his professional development and to experience a different workplace. He will be assisting our audit and business services teams and will be working under the supervision of Dominic Pham.

This is a very exciting time for DFK Richard Hill as well. It is a great opportunity for the firm to strengthen its relationship with member firms overseas.

We wish Long a successful stay at DFK Richard Hill and hope he takes home with him valuable experience, both professionally and personally.
